

Letter of Agreement Between Sequim Valley Airport Inc. & Sequim Aeronauts Radio Controlled Aircraft Flying Club

- Motorized flying only between 9am and 5pm
- Electric flying allowed between 8 am and 6 pm
- RC flying is closed April 1 to hay cutting and harvest which is usually between June and July 5 depending on weather conditions
- RC pilots will be respectful of neighbors and T-Hangar owners along with their concerns
- Flying allowed Monday – Saturday (Sundays by permission only)
- Events are allowed but dates and times must be approved by airport management
- Now flying when estimated winds exceed 25 knots
- RC Club will ensure that all pilots have had proper training
- RC club will be responsible for maintaining liability insurance for flying and any damage, fire damage as a result of RC club operations and activities
- With Sequim Valley Airport being an active airport, monitoring the Unicom frequency 122.7 or having a spotter is expected during fair weather conditions with active air traffic in the area
- RC club will be responsible for keeping RC aircraft runway mowed and leveled as needed
- Catch can will be used to recover overflow fuel when aircraft are being fueled
- RC planes flying will stay north of T-Hangar area at altitudes of less than 400 feet
- RC planes will not fly over nearby homes and livestock
- RC fliers and spectators can park up to 10 cars at a time in the grass at least 30 feet north of T-hangar area pavement
- If there is an excess of 10 cars, additional cars shall park in the main airport parking lot
- Staging area will be mid field near the RC runway with one table or platform allowed in summer and fall and must be in storage off season
- RC club will keep RC area clean and free of trash and haul their own trash away
- RC Club will provide Sannikan which will also be used by the airport. The airport will pay for year-round monthly servicing but RC club will pay 50% of servicing fee for the months of July - November
- Crash recovery requires land owner permission. RC club is responsible for clean-up of crashed planes.

This agreement can be terminated by either party at any time with 30-day's notice.
